

Chairman's Update as of July 29th, 2017

Hello to all,

On Monday July 24th there was a Special Summer Meeting of the Board of Directors. A recommendation presented by the Search Committee, mandated to fill the vacant Executive Director position, was passed by the Board. I am pleased to advise you that Mr. Chris Lockhart has been appointed as our new Executive Director effective August 14th. Please join me in wishing Chris much success in his new role as he continues to build upon his 4 years of diverse experience at Tyndale St-Georges.

I am very confident in the highly capable Leadership & Management Team at Tyndale St-Georges. Under Chris' leadership, this experienced and effective group will continue to move Tyndale St-Georges forward and continue to provide great programs to the community. In addition, the Board of Directors is committed to providing transitional support to Chris and the Leadership & Management Team.

I wish to express, on behalf of the Board and all of the Community, gratitude and thanks to Joseph D'Intino who served so passionately and effectively as our Interim Executive Director from May 11th to July 21st. Joseph really facilitated moving us in a positive direction and setting a good foundation for the new Executive Director. Joseph, who was reappointed to the Board on Monday evening, will also be an advisor to Chris and myself. He will also continue as a member of the Strategic Planning Team.

We had a great turnout and a very successful BBQ July 7th and a productive and collaborative Community Outreach and Town Hall session July 11th. Thank you to all who participated in both events.

The Summer Camp wrapped up a very successful session yesterday. We now have a three-week High School preparation tutoring program just starting and the registration for our After School Program, including our new Kindergarten program, is beginning this week. Our Leadership & Management Team and dedicated staff are busy preparing for another exciting year at Tyndale St-Georges.

In addition, this year will be finalizing in September our Strategic Plan for the next 5-10 years and look forward to presenting this to our broad Community, likely during October. A date will be announced the third week of September following our September 18th Board Meeting.

Enjoy the rest of your summer.

Sincerely,

Tony Infilise
Chair of the Board of Directors
