Community Centre

## Thank you for 90 Years of Tyndale St-Georges

**Tyndale St-Georges Community Centre** has been a central player in the development and growth of the Little Burgundy Community. Since 1927, The Centre has provided recreational, educational, and community-based services to the people of Little Burgundy. It is with great enthusiasm that we celebrate our 90<sup>th</sup> Birthday!

The success of **Tyndale St-Georges** rests in the generous and consistent donor support that we receive from foundations, individuals, corporations and government subsidizing. The programs and services that are offered at The Centre are a reflection of the generosity of the Montreal Community, and as such, we remain proud to offer reliable quality programming for participants of all ages.

Our 90<sup>th</sup> Anniversary marks a number of key events and initiatives.

1. **Strategic Planning 2017.** This year marked the creation of our new strategic plan. After consulting with community members, staff, administration, and board members, we have constructed a strategic plan that will guide our efforts for the next five years. We will focus our attention on maintaining our existing programs and services, while expanding upon our weekend community activities, establishing a strong membership base, and improving our communications with all of our members and partners.
2. **Initiatives.** We have expanded upon a number of our services, including the integration of the Montreal Children's Library into our Centre, further developing our *Pre-Employability Training Program* to better serve the adults in our community, and the development of a *Kindergarten After-School Class*, to name a few.
3. **Events.** Our July 7<sup>th</sup> Community BBQ, our annual community trip to Camp Amy Molson, Community Engagement Events, and our Strategic Planning Workshops, as well as our graduation ceremonies for our *After School*, *High School Perseverance*, and *Adult Development Programs* all served to highlight our success and 90<sup>th</sup> Anniversary.

Thank you for your tremendous support of **Tyndale St-Georges**. As we begin the implementation of our strategic plan, we look forward to strengthening our partnerships with members, community organizations, and donors.

Sincerely,
