

The Tyndale Community Store

Dress to Impress: that's the mandate of the Tyndale Community Store. We offer quality new or nearly new work attire at low cost to residents of Little Burgundy who are looking to enter or re-enter the workforce.

Our focus is on empowering and promoting self-reliance in our community and building a self-sustaining retail business in the neighbourhood. The Tyndale Store offers job training in retail service, as well as support and advice on dressing appropriately for work interviews.

All proceeds from sales go directly back to our community programming. Every purchase someone makes at the Tyndale Community Store helps improve the life of someone in our community.

About Tyndale St-Georges Community Centre

Since 1927, Tyndale St-Georges Community Centre has provided empowering educational programming for residents of Little Burgundy from birth through adulthood. Our aim is to ensure that each member of our community has the opportunity and skills needed to realise their potential.
